AUTOMOTIVE/CHASSIS

	32T	34H	36G	39W
Chassis - (Chassis built before January 1, 2004) Freightliner, Cummins ISB 5.9L turbo-charged diesel 300-hp, rear radiator, Allison 5-speed electronic 2,000 MH transmission, NeWay [®] front and rear air suspension, 130-amp. alternator, exhaust brake, 4-wheel ABS, Wheels wheel liners, stainless steel	S	S	S	
Chassis - (Chassis built after January 1, 2004) Freightliner, Cummins ISB 5.9L turbo-charged diesel 300-hp, rear radiator, Allison 5-speed electronic 2,000 MH transmission, NeWay [®] front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels wheel liners, stainless steel	S	S	S	
Chassis - (Chassis built before January 1, 2004) Freightliner, Caterpillar 7.2L turbo-charged diesel 330-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, NeWay front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels stylized aluminum	O	O	S	
Chassis - (Chassis built after January 1, 2004) Freightliner, Caterpillar 7.2L turbo-charged diesel 350-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, NeWay front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels stylized aluminum	O	O	S	
Smart Wheel steering wheel				
Chassis - (Chassis built before January 1, 2004) Freightliner, Cummins ISB 5.9L 300-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, NeWay front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels stylized aluminum	O			
Chassis - (Chassis built after January 1, 2004) Freightliner, Cummins ISB 5.9L 300-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, NeWay front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels stylized aluminum	O			
Chassis - (Chassis built after January 1, 2004) Freightliner, Cummins ISB 5.9L 300-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, NeWay front and rear air suspension, 160-amp. alternator, exhaust brake, 4-wheel ABS, Wheels stylized aluminum	O			
Chassis - Workhorse (available January 2004), Cummins ISC 8.3L 330-hp, rear radiator, Allison 6-speed electronic 3,000 MH transmission, Arvin Meritor front and rear air suspension, 200-amp. alternator, exhaust brake, 4-wheel ABS, SmartWheel steering wheel, Wheels stylized aluminum				O

The outside story.

Journey's standard, one-piece, high-gloss fiberglass sidewall is amazingly tough—typical for Winnebago Industries design. Laterally mounted floor risers allow for true basement storage. Standard features include hydraulic jacks with touchpad controls to keep your Journey super-stable and level when parked. A full-width mud guard with Winnebago logo is available.

	32T	34H	36G	39W
Air Accessory Manifold quick connect, 50" air hose, pressure gauge, manual air shut off, Leveling Jacks HWH [®] hydraulic, manual control, Tire Tools wrench & leverage bar, Trailer Hitch 5,000-lbs. drawbar/500-lbs. maximum vertical tongue weight & wiring (with 5-speed transmissions), Trailer Hitch [®] 10,000-lbs. drawbar/500-lbs. maximum vertical tongue weight & wiring (w/6-speed transmissions)	S	S	S	S

--	---	---	---	---

- a The height of each model is based on the curb weight of a typically equipped unit on the standard chassis. The actual height of your vehicle may vary by as much as 2" depending on chassis or equipment variations.
- b Journey floorplans feature a wide-body design—over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- c Your motor home's load capacity is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
- d Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- e Actual towing capacity is dependent on your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR, as well as adequate trailer brakes. Please refer to your vehicle's operator's manual for further towing information.
- f Not all items available in combination. See dealer for details.
- g See separate chassis warranty details provided in owner's packet.
- h See your dealer for complete warranty information. Winnebago Industries' continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available.
